

NEAL

FAMILY VINEYARDS

2005 Rutherford Dust Cabernet Sauvignon

These vineyards produce lovely fruit flavors that we keep in small batches using only the indigenous yeast. The “Rutherford Dust” character is present and accompanied with fresh cherry, plum, floral and candy aromas. A lush, fruity texture mixes with the cedar and oak flavors. The balance in this wine marries the tannin, acidity and earthy characters with the fruit.

100% Rutherford AVA - 100% Estate Grown - 100% Certified Organically Farmed
