2006 Howell Mountain Cabernet Sauvignon

2006 gave us bigger and more age-worthy tannins than in 2005 and the Howell Mountain Estate Cabernet is the perfect example. Rich and powerful, this wine has hints of Bordeaux-like characters combined with Howell Mountain fruit and texture. Attractive black fruit, earth/forest toasty notes and cassis provide a complex mouthful of aromas and flavors. This wine has a supple, velvety texture in the finish that grows with power as it lingers on the tongue.
