FAMILY VINEYARDS

2013 Howell Mountain Cabernet Sauvignon

Riper fruit and bigger tannins were the result of the vintage and this wine shows that intensity. Plum, blackberry and dark cherry fruit predominate the aroma with secondary notes as well: floral, briary, pine, spice and candy show through. A sweet vanilla and butterscotch make the French oak contribution very enjoyable and help mediate the big, mountain tannins. Dried black fruit and spice work together with the texture to impart a huge mouthfeel, just waiting for a great steak from the barbeque. Aging another 10+ years should not be a problem with this wine.
