

NEAL

FAMILY VINEYARDS

2010 Napa Valley Cabernet Sauvignon

From a pre-release tasting we noted aromas of ripe cherry, cassis, olive, black licorice and sweet, and toasted oak. This wine has a dark ruby color and the aromas match the flavors. A very intense cherry fruit flavor is the heart of the wine with spice, toast and vanilla characters accenting the fruit. The spices include a white pepper character that creates a lively mouthfeel, along with a bold tannin with hints of cocoa, and balanced acidity.

100% Napa Valley AVA - 100% Estate Grown - 100% Certified Organically Farmed
