FAMILY VINEYARDS

2015 Napa Valley Cabernet Sauvignon

If you are looking for a big, powerfully tannic, 100% Cabernet Sauvignon, we have an outstanding example. Jordan Stanley, Winemaker, describes it as a wine with a "generous mouthfeel and fine grain tannins providing the punch." Nutmeg, sage and cocoa aromas mix with cherry, sandalwood and tobacco to make the nose of the wine very attractive and distinctive. Plum, cherry, cedar, violets and olive are some of the flavors in the glass. Definitely a youthful wine that will show more flavor and better texture if decanted and even more after extended aging.

100% Napa Valley AVA - 100% Estate Grown - 100% Certified Organically Farmed
