2023 Rutherford Dust Albariño

Exclusive to our Legend Membership

Our Albariño has a stunning bright lemon-yellow hue with pale straw undertones and is laden with rich, expressive aromatics of white peach, lemon rind, yuzu, crisp green apple, and spring white flowers. Generous silky texture with hints of minerality round out this fine medium bodied dry white wine that couple's layers of vibrant tangerine and stone fruit with a delicate touch of fine spices-- it is refreshing and cleansing on the palate and perfect on its own, sitting by the fire with a book or watching the sunset. Pairing this wine can be with ceviche, oysters, grilled fish, or light pastas.

100% Estate Grown | 100% Certified Organic, Biodynamic®
& Regenerative Organic® Farmed
