

2022 Rutherford Dust Cabernet Sauvignon

The 2022 Rutherford Dust Cabernet Sauvignon pours a vibrant crimson with a deep, dark core. The aromatics are dense and expressive, bursting with ripe black plum, blueberries, cassis, and black cherry, accented by dusty dried herbs, lavender, and a touch of spice. Subtle notes of licorice, sandalwood, and tar add further intrigue to the bouquet.

On the palate, the wine is rich, round, and opulent, yet balanced with freshness and structure. Layers of dark fruit—plum, cassis, and Maraschino cherry—unfold seamlessly, supported by ample fruit-driven tannins and a fleshy, mouth-filling texture. Firm and youthful now, the tannins are playful and energetic, framing a long, lifted finish that carries vibrant fruit and savory complexity. Approachable in its youth but clearly built to evolve, this Cabernet is both an immediate crowd-pleaser and a serious cellar candidate that will reward patience with even greater depth and harmony.

100% Estate Grown | 100% Certified Organic, Biodynamic®
& Regenerative Organic® Farmed

Harvest Information:

September 17th to October 10th 2022

Aging: Maturation: 20 months, all French Oak, 70% new.
