

2022 Napa Valley Cabernet Sauvignon

Vibrant crimson-red with striking depth in the glass, the 2022 Napa Valley Cabernet Sauvignon showcases purity and elegance from the start. Aromas of cassis, red currant, cherry, and raspberry dominate, lifted by nuances of mint, dried herbs, baking spice, nutmeg, and subtle cigar box. The bouquet is clean, precise, and vibrant, reflecting the wine's focus on fruit and balance.

On the palate, the wine is medium to full bodied with an inviting richness that transitions into a sleek, linear mid-palate. Red fruits and cranberry are layered with bright acidity, while sinewy structure and smooth, ripe tannins provide harmony and depth. The finish is long, mouthwatering, and graceful, with lingering red fruit and subtle spice.

Napa Valley AVA - Estate Grown - Certified Organically Farmed

Harvest Information:

Harvest Date: September 30th to October 21st 2022

100% Cabernet Sauvignon

Aging:

Maturation 20 months, all French Oak, 20% new
