FAMILY VINEYARDS

## 2025 Rutherford Dust Biodynamic® Albariño

Inviting aromatics are toppling over the rim of the glass, ripe pear, mandarin, citrus peel, jasmine and honeysuckle floral notes and ginger explode. The visual in the glass reflects a lime, pale yellow. The palate brings a medium-bodied, crisp, smooth, and lively taste. It has flavors of citrus peel, pear, and a hint of ginger. Quince and pear are the main flavors, but there's also pomelo and a subtle spice. The Biodynamic® Albariño offers a clean, fresh, and pure, pleasant, long finish.

Wild yeast is created from the biodiversity of our Rutherford Vineyards with minimal intervention. The Estate Biodynamic® Albariño is a very pure expression of sense of place.

Perfect for spring or summer, this wine can be paired with a book by the fire, covered porch, or alongside sunset at the beach during the summer. Enjoy with fruit type salads or light fish dishes.

*100% Estate Grown | 100% Certified Organic, Biodynamic®  
& Regenerative Organic® Farmed*
