2021 *One & Only* Blanc de Blanc

The sparkling flows from the bottle into the glass with a bright pale straw color with a slight lemon hue encompassed by delicate, fine bubbles bursting with wafts of fresh baked apple tart. Layers of honeycrisp beam out of the glass, with fresh zested lemon peel and jasmine flowers that intertwine with pastry crust and honeysuckle.

On the palate, the fine mousse provides a broad and creamy mouthfeel that evolves and progresses through the gears towards a precise, dry finish. Excellent concentration and balance are the hallmarks of this Blanc de Blanc with a pleasant journey from the start to finish. Creamy layers roll broadly across the palate with apple foam, brioche, gala apple and hints of fresh citrus. Very clean and intense this is quite a serious bubbly that offers immediate refreshing satisfaction now but will also develop in the bottle over the next decade.

This Organic Certified grown and produced 2021 *One & Only* Blanc de Blanc was grown in Anderson Valley and produced at Neal Family Vineyards.
